A JAWESOME RIDE WITH A FRIENDLY & EXPERIENCED PILOT

Hydro Attack is the world's first tour operator of the Seabreacher semi-submersible sharks. Operating from our wharf on the lake front in central Queenstown, we'll take you on an adrenaline-packed ride above and below the crystal clear waters of stunning Lake Wakatipu.

ARE YOU READY TO TAKE ON AN 18FT SHARK?

You're inside what feels like a cross between a fighter jet and a torpedo, skimming across the top of the lake at 80kph.

PH: 0508 493 762

Yeah, you read it right – 80 scenery-blurring, perspective-destroying, mind-numbing kilometres per hour...then you're diving under the water and rocketing a jaw-clenching 18ft into the pristine alpine air. Meet Hydro Attack – the ultimate blend of shark and machine.

SCREAM IN THE SHARK MACHINE

We'll take you on the ride of your life as the shark accelerates from 0 to 80 kilometres per hour in 3.9 seconds. Throw in dives, jumps, a low centre of gravity, 90° degree rolls and tight turns and this trip is a heart-pumping roller-coaster ride.

IT'S ALL ABOUT YOU

Sit back in our state of the art, pneumatic-sealed cockpit and get ready to feel the G-forces as our highly skilled and friendly pilots give you an adventure you'll never forget. We can make your personalised one-on-one trip as mild or as wild as you like. Push your limits or relax and enjoy 360 views of the alpine scenery through the F-16 fighter-grade glass canopy.

SAFETY IS ESSENTIAL

Hydro Attack's dedicated to your safety; that's why we exceed NZ safety requirements in watercraft safety & pilot training.

OPTIONAL EXTRAS

Sunglasses, hats, a digital photo/footage package of your trip on USB and combo packages are all available for purchase when booking online or at our kiosk after your trip.

Space is limited so booking is recommended.
Height and weight restrictions apply.
Minimum age: 6 years old.
Please wear comfortable casual clothes.
